For names and addresses of students not in Directory consult card index in Office of Registrar.

Where two addresses appear the first indicates the address during the academic year, the second the permanent home address.

In reading addresses, supply "New York City," when a street address only is given; supply "New York" when a town is given but no state; the usual abbreviations are used for all other states. The abbreviation for Street is omitted in the case of numbered streets above 9th.
